

PICKFORDS

INSURANCE APPLICATION

PROGRAMME GUIDELINES

*** PLEASE READ THIS CAREFULLY - IT'S HERE FOR YOUR BENEFIT!**

ELIMINATING RISKS AND ENSURING PEACE OF MIND ARE THE CRITERIA WE ADHERE TO AT PICKFORDS. When you entrust your precious possessions to us, you know that they are in the best of care.

However, sometimes the unexpected can happen. That's where Pickfords All-Risks Goods-In-Transit insurance comes in. Supported by one of the World's largest insurance groups, your possessions can be comprehensively insured against accidental loss or damage during your move. The special advantages of the insurance arranged on your behalf include many benefits that are either excluded or are an additional cost in many other policies.

HOW TO INSURE YOUR MOVE:

The first step is for you to arrive at the **PRESENT FULL NEW REPLACEMENT VALUE** of your possessions. Included in this document you will find a detailed valued inventory form on which to list and calculate the values. Most people find, when filling in the list, that the new replacement value of all their possessions is far more than they thought!

GET FULL VALUE OUT OF THE POLICY:

Don't deliberately undervalue your possessions. You must be aware that if you underinsure your household, the insurance company will apply "average" to any claim. In simple terms, this means that if you insure your total household for half its true replacement value, the insurance company will reduce each and every part of a claim by 50% – irrespective of its declared value.

In terms of the Policy Conditions, you are required to insure your entire consignment. Any item which you leave off the list will not be covered by insurance. Please note that giving only a total value for a category (e.g. lounge, kitchen) is not enough. Showing individual values makes settlement far easier in the event of a claim. Also, where items are listed together, all will be assessed as being of equal value unless individual values are shown. Thus 2 TV sets (a black and white portable @ R500 and a colour remote @ R2500) valued together at R3000 would be assessed at a maximum of R1500 each, but also limited to no more than the new replacement value of each individual item. This would result in the colour set being badly under-insured in the event of a claim.

PLEASE READ THE POLICY CONDITIONS AND EXCLUSIONS ON THE BACK OF THE FINAL PAGE. Please note that **BREAKAGE** of **OWNER-PACKED** items is not covered by the insurance policy unless the breakage is as a direct result of fire, collision or overturning of the vehicle.

LOSS of **OWNER-PACKED** items is covered only in the event of non-delivery of the entire transport package (carton, case or suchlike) and then to a maximum of R500 per transport package (see Exclusion No. 2).

Under this policy, the following (amongst other things) cannot be insured: Jewellery, watches, precious stones and metals, bullion, perishable foodstuffs, firearms, animals, pot plants, computer data, money, documents, and cellular telephones.

Please note that it is your responsibility to ensure that domestic appliances such as washing machines, hi-fi sets, CD players, computers and other electrical and electronic equipment are prepared for transport as recommended by the manufacturers or agents.

WHAT HAPPENS IN THE EVENT OF A CLAIM?

All claims must be reported to our nearest Pickfords office. All claims will be processed promptly and efficiently by our insurance brokers on behalf of the underwriters. Another way in which Pickfords provide you with peace of mind.

WHAT HAPPENS IF YOU DON'T INSURE YOUR MOVE?

We cannot stress enough how important it is to take out insurance. If you don't and something is lost or damaged, our liability, similar to that of all other removal companies, is limited to the extent outlined in our Conditions of Contract.

PLEASE TAKE TIME TO COMPLETE THIS VALUED INVENTORY FORM, IT WILL BE TIME WELL INVESTED!

SHOULD YOU NEED ANY ASSISTANCE, PLEASE DON'T HESITATE TO CALL US.

THEN SIGN AND DATE IT AND RETURN IT PROMPTLY TO PICKFORDS AND LEAVE THE REST TO US!
